A QualityGuard+Plus VSC goes into effect with the date and mileage reading from the time the client purchased the vehicle and expires after the time or mileage interval, whichever occurs first. The client may also cancel the VSC for a fee, subject to certain restrictions. The cancellation fee depends on the state.

Our payment of the replacement benefit is subject to the following: (i) the replacement vehicle must be of the same transaction type as the vehicle (e.g., purchase or lease); (ii) the replacement vehicle must be purchased or leased within 60 days from the date of loss; (iii) the cost of the replacement vehicle must be greater than the retail value of the driver's vehicle in order to receive the replacement benefit; and (iv) the replacement vehicle must be purchased or leased (as applicable) from the original

selling retailer. The replacement benefit will be paid directly to the selling retailer at the time the driver purchases or leases their replacement vehicle. The replacement benefit is excess to and may not duplicate any other available coverage, including, but not limited to, that provided by the driver's primary carrier. Our payment of the replacement benefit is subject to the terms and conditions of this limited warranty, including, but not limited to, the driver's report of the theft of the vehicle to the police within 24 hours of the driver's discovery of the theft, and contacting and providing the administrator with the required documents within 60 days of the primary carrier settlement.
