

# Key Protection

A key solution for lost or damaged fobs

## Added value, zero hassle.

Modern car keys are more than just keys — they're high-tech devices with chips, remotes, and security features. Losing or damaging one can be costly and inconvenient. Key Protection ensures you get a quick replacement without the hassle, covering lost, stolen, or inoperable keys so you're never left stranded.

**DID YOU KNOW?**  
Replacement car keys  
can cost over \$500!

## Coverage details

Repair or replacement where available of a covered key/remote as a result of damage due to mechanical failure, electrical failure, a defect in workmanship, damage, loss, theft, or normal wear and tear not to exceed the key protection maximum benefit per twelve (12) month period. Replacements are limited to the manufacturer's original key/remote or "like kind and quality" replacements.
