Tire & Wheel Protection

Tire Repair | Repair of flat tire(s) due to road hazard damage. Tire repair coverage is limited to tires that do not exceed original equipment manufacturer (OEM) specifications for the vehicle.

Tire Replacement | Replacement of tire(s) should your vehicle's tires become unserviceable due to road hazard damage as determined by the repair facility and confirmed by the administrator. We will pay only the cost of a replacement tire (including mounting and balancing) as shown on the repair order. Tire replacement coverage is limited to tires that do not exceed OEM specifications for the vehicle. "Like kind and quality" comparable tires, as determined by the administrator, may be used for replacements. If your AWD or 4WD vehicle requires a tire replacement due to a covered repair, an additional tire replacement on the same axle will be authorized when the difference in tread is greater than 4/32".

Wheel Repair | Repair of your vehicle's wheels due to road hazard damage. Wheel repair coverage is limited to wheels that do not exceed OEM specifications for the vehicle.

Wheel Replacement | Replacement of wheel(s) should your vehicle's wheels become unserviceable due to road hazard damage, as determined by the repair facility and confirmed by the administrator. We will pay only the cost of a replacement wheel (including mounting and balancing) as shown on the repair order. Wheel replacement coverage is limited to wheels that do not exceed OEM specifications for the vehicle. "Like kind and quality" comparable wheels, as determined by the administrator, may be used for replacements.

Cosmetic Wheel Protection

Repair of the wheel(s) on a vehicle due to cosmetic wheel damage.

Windshield Protection

Windshield Protection Standard | Repair of minor chips no larger than one and one-half inches (1.5") in diameter, and cracks less than six inches (6") in length due to road hazard damage on the front windshield only.

Windshield Protection Plus | Replacement *where available* of front windshield, only, if chips or cracks caused by a road hazard cannot be repaired.

Paintless Dent Repair

Paintless Dent Repair (PDR) is an industry recognized process that involves the removal of dings and minor dents from a vehicle's exterior steel or aluminum body panels without disturbing the paint finish. This does not include services that involve the replacement of vehicle body panels, sanding, bonding, or repainting. During the term, we will pay a repair facility, or at our option, reimburse the cost to repair covered minor dents and minor dings less than four inches (4") in length and/or diameter on the exterior body panels that are accessible and are repairable through existing PDR techniques. Hail damage is covered up to the dollar value of the comprehensive primary carrier deductible, not to exceed \$1,000. Coverage is limited to steel or aluminum body panels.

Key Protection

Repair or replacement *where available* of a covered key/remote as a result of damage due to mechanical failure, electrical failure, a defect in workmanship, damage, loss, theft, or normal wear and tear not to exceed the key protection maximum benefit per twelve (12) month

period. Replacements are limited to the manufacturer's original key/remote or "like kind and quality" replacements.

Roadside Assistance

In the event your vehicle is disabled, you may obtain towing, battery jump start, flat tire change, delivery of supplies (fuel, oil, water), and/or locksmith services ("roadside assistance services") by contacting us directly for assistance or obtaining roadside assistance services on your own and seeking reimbursement. Coverage does not include supplies (gas, oil, water).

identity threat alerts that will notify you of any major data breaches, identity theft incidents, and/or new identity theft laws. Monitoring and alerting services include access to your mobile app to rapidly review your information from your smartphone, mobile attack control scanning for potential identity threats, and mobile VPN to encrypt and protect your phone data being transmitted or received.

Identity Fraud Reimbursement | You will be reimbursed for identity fraud expenses, as defined in and limited by the terms and conditions set forth at [qualityguardplus-products.com/idprotectionterms](https://www.qualityguardplus-products.com/idprotectionterms), up to the aggregate maximum identity fraud expense reimbursement limit of one million dollars (\$1,000,000.00) for the term of this service contract. To qualify for identity fraud expense reimbursement, you must experience a stolen identity event, which is the fraudulent use of your personal identification, social security number, or other method of identifying you, with an occurrence date during the term of this service contract and be reported within ninety (90) days of discovery of such stolen identity event.

DID YOU KNOW?

We will reimburse up to \$1,000,000.00 for identity fraud expenses.⁴

Identity Theft Protection | You will receive white glove restoration services to remediate incidents of identity theft, which are fully managed by certified protection experts available to you 24/7, 365 days a year. Upon the filing of a claim, the certified protection expert will work with you to confirm identity theft or fraudulent activity. You will also receive lost wallet assistance to aid in the replacement of credit, debit, and ATM cards, junk mail opt-out to remove your name from marketing databases, and medical ID fraud protection to review usage of your medical benefits. As a condition of receiving any and/or all of these services, you agree to provide any required documentation to the certified protection expert, including, but not limited to, a power of attorney to handle complex identity theft issues, that may arise throughout the remediation process.
