

# Highline & Exotic Extended Protection Plan

Exquisite rides require  
exceptional coverage

## Coverage for Highline & Exotic vehicles

Highline and exotic cars are defined by what sets them apart – limited production, advanced engineering, and hand-crafted performance. But with that level of craftsmanship comes a responsibility: keeping it at its best. Our vehicle protection plan is designed to match that standard. It supports the long-term care of elite machines with coverage that respects their complexity and value – so you can focus on worry-free driving.

## Highline & Exotic vehicle protection

Our plan offers protection against unexpected repairs, providing exceptional coverage that goes the distance. With four levels of coverage and the option for unlimited miles, we ensure you're always prepared for the road ahead.
